SPAY OR NEUTER YOUR PETS!!!***

Do you love and care deeply for your cat? Do you want to do what's best for him or her? Then spaying and neutering them is a great place to start!!

WIN ONE FREE CAT SPAY OR NEUTER

For the month of February Operation PETS is honoring World Spay Day by offering a special contest in which you could win one free cat spay or neuter. All you have to do is make sure your cat qualifies to come to Operation PETS. If you qualify, submit your information by mailing a 3x5 card with your name, address and phone number. We will then place your entry in the WORLD SPAY DAY box!

ALL ENTRIES MUST BE RECEIVED BY FEBRUARY 29, 2012

We will select four winners. If your name is selected you will be contacted about your free spay or neuter! If you happen to win but all of your cats have already been spayed or neutered then feel free to pass your good fortune onto a friend or neighbor in need.

If you have any questions don't hesitate to ask an Operation PETS staff member OR check out our website at www.operationpets.org.
